

Regional Operations Coordinator

ABOUT GENEROSITY PATH

Generosity Path (GP) exists to see hearts fully surrendered to Jesus through radical generosity. Over the next four years (by the end of 2027), we want to spark indigenous movements of generosity in every tribe and nation – a first step towards our greater vision to see a world healed through generosity.

Our primary tool to achieve this is the Journey of Generosity (JOG), a simple, interactive experience that creates a space for people to have conversations about faith, life and money. To date, we have brought together tens of thousands of givers in more than 100 countries across the globe.

Since we are fully and privately funded, we are able to create safe and inspiring environments for people to share without any concern that there will be an appeal for funds.

At GP, there is a Genuine Occupational Requirement for all team members to be practicing Christians. We work hard at growing and sustaining healthy working relationships amongst our team of 29 remote workers, and due to our flourishing culture, we are a certified Best Christian Workplace.

We love that our GP team come from all over the world and speak numerous languages. Please be aware that within our organization the common language is English.
